

Quick guide about your super

Equip Super Corporate

You should read the product disclosure statement (PDS) in conjunction with this document.

Your employer has chosen Equip Super as its default superannuation provider, because we offer a comprehensive, award winning superannuation package.* We give you the tools and flexibility to make the right choices now so you have more opportunity to do the things you'd love to do in the future.

1. Why Equip Super

An industry fund, solely here to profit our members

As an industry fund, all the profits we make flow back to our members.

"Best value for money"*

We have received top ratings from various independent ratings agencies. We're a multiple award winner across several categories, including value and product innovation.

Solid, long-term investment returns

We have a track record of providing solid, long-term investment returns for our members.**

We can help you reach your goals

From simple questions to comprehensive advice, we can help you getting the most out of your finances.

Access your account anytime from anywhere

Manage your super online: make investment switches, roll over super from other funds, or update your personal details when it suits you.

2. Simple, sensible investment choices to meet your needs

If you don't make a choice, your contributions will be invested in the MySuper option, which is a broadly diversified investment option across hundreds of investments and securities globally. Alternatively, you can choose from any of our 7 other diversified or 4 sector specific options.

3. Insurance that looks after you and your loved ones

If you are joining Equip Super for the first time, insurance is a valuable benefit available with your membership. Insurance means that you and your dependants will be looked after if you can no longer earn an income temporarily or permanently, or if you die.

As a permanent employee, assuming you join the Fund when you first become eligible, you can elect to receive default death and total and permanent disablement (TPD) cover. Default cover is equal to 10% of your salary for each year of future service to your 65th birthday. You can apply for extra cover in multiples of 5%.

You will get your default cover automatically once we have received employer contributions for you after your Equip Super account reaches \$6,000 and you are 25 or older.

If you want cover from the start of your Equip Super membership, you will have the opportunity to elect to switch on your default cover upon joining.

For more detailed information, consult the PDS and the *Insurance in your super* guide. You can find it at equipsuper.com.au/pds under Equip Super Corporate for Rio Tinto, Yancoal, Glencore and Kestrel employees.

4. Next steps

Read the PDS and fill in the member application to make sure we can contact you. With it, you can also let us know how you would like your super invested, and make any adjustments to the insurance cover we give you.

Nominating a beneficiary is really important. It not only helps us understand how you want your benefit distributed, it also speeds up the process so that your loved ones can receive their money faster. Best of all, lodging a legally binding nomination is completely free of charge for our members.
