3 – Cancel your insurance

Complete this section to cancel your insurance cover. Tick the box for the type of cover you wish to cancel. Please note that your employer may be contributing to your insurance costs. Please check with them before you cancel your cover. You won't be insured for that cover from the date we receive your cancellation request and you (or your beneficiaries) won't be able to make an insurance claim for that type of cover for an insurable event occurring after that date. If you decide to apply for cover in the future, you will need to complete underwriting and be approved by the insurer.
