### 3 – Options for your insurance cover on the account to be closed (A)

If you do not have insurance on the account you have nominated to close in Step 2, this section does not apply.

If you have insurance cover and do not select an option below, any insurance cover on the account to be closed will cease.

You may be able to elect to combine any death and total and permanent disablement (TPD) insurance cover on your closing account with the death and TPD insurance cover in the account you are transferring to. If you choose to and are eligible to combine your cover, the total cover on the account you are transferring to will become **fixed cover**.

Please note it is not possible to consolidate income protection cover if you hold it on both accounts. Equip Super will review your request and may attempt to contact you to confirm your instructions prior to processing.

- Please consolidate my death and TPD insurance cover.
- Please cancel the insurance on the account to be closed. I am satisfied with the insurance attached to the account that will remain open.
