1 About Equip Super

Equip MyFuture – Personal is a product of Equip Super and is available to anyone who wishes to hold a superannuation account. If you work for an employer that has elected Equip Super as their default fund, please refer to the PDS for Equip MyFuture.

This PDS is about Equip MyFuture – Personal and the features and investment options it offers. These include a default MySuper product and a range of diversified and sector specific investment options, as well as a range of insurance cover options.

We've been helping Australians achieve better retirement outcomes since 1931. With a history of strong, long-term returns, competitive fees and the support and advice you need right when you need it – and all from an award-winning profit-to-member industry fund that puts you first – with Equip Super, you really are super equipped.

What's more, you can stay with Equip Super throughout your working life and into retirement. At every stage, we're here to partner with you and help you get the most out of your super. A PDS for our retirement product is also available on our website.

You can find more information on the product dashboard for the MySuper investment option at equipsuper.com.au/dashboard

Details of trustee and executive remuneration and important documents, including our trust deed and annual reports, are available at equipsuper.com.au/disclosures

2 How super works

Super is designed to help you grow your retirement savings over time through regular contributions, including compulsory contributions from your employer, and investment earnings. Tax benefits may also apply.

Contributions: Your employer is generally required to make contributions to your super (known as superannuation guarantee, or SG, contributions). You can also make contributions from your before-tax income (salary sacrifice) or from your own savings. If you are a low to middle income earner, you may be eligible for a government co-contribution based on any after-tax contributions you make. There are age restrictions on certain contributions and limits to the amounts you can contribute each year.

Choosing your super fund: Most people can choose the super fund they want their employer to pay SG contributions to. If you don't tell your employer where to pay contributions, your employer will deposit your SG contributions into your existing fund or, if you don't have one, into the super fund they have chosen. You can ask them to pay your contributions to Equip Super by completing the *Choice of fund* form that you can find on our website, equipsuper.com.au

Consolidating your super: Consolidating your super (also known as a rollover) means you only pay one set of fees and you may be able to more easily manage and monitor your super. We charge no fees for rolling your superannuation into Equip Super. You should, however, be aware that you may lose any insurance cover you have with other super funds if you close your account with them.

Accessing your super: Generally, you can't withdraw your super until you reach your preservation age, which ranges from 55 to 60 years old. Your preservation age will vary depending on when you were born. There are some special circumstances under which you can access your super earlier.

You should read the important information about how super works before making a decision. Go to equipsuper.com.au/pds and read our *How super works* guide. The material relating to how super works may change between the time when you read this document and the day when you acquire the product.

This Product Disclosure Statement (PDS) is a summary of significant information and contains a number of references to important information (each of which forms part of the PDS). The information provided in this PDS is general advice and information only and does not take into account your personal financial situation or needs. 3 Benefits of investing with Equip Super

An industry fund solely here to benefit our members

Equip Super is a profit-to-member industry fund with over 133,500 members and \$36.5 billion in assets. We aim to keep costs low and the profits we make are used to benefit our members.

A wide range of investment options

We offer a wide range of investment options to suit a variety of needs depending on your life stage and investment goals.

Solid, long-term investment returns

We have a track record of providing solid, long-term investment returns for our members.

Competitive fees and costs

Equip Super's competitive fees and costs mean more money stays in your account for your future.

Insurance

We offer flexible and affordable insurance options to help provide you and your loved ones with peace of mind.

Access to your super in retirement

Our retirement income accounts allow members to draw an income from their super. You can find out more about these account options, including our innovative set-and-forget MyPension investment strategy, at equipsuper.com.au

Financial planning and support

We offer a range of expert support and advice services to cater for a range of needs, from help with your account right through to tailored financial plans. These services may be offered through Equip Financial Planning¹.

Our financial planners don't receive bonuses or commissions. The personalised advice they provide is based on your needs and expectations and what's in your best interests.

Manage your account online

Track your balance and contributions, manage your investments, search for, and roll in any other super you may have – all using our secure online portal, Member Online.

4 Risks of super

All investments and financial products have risks, and it is important to understand the potential impact that these risks may have on the value of your super at retirement. You can't avoid all risk when investing, but considering your investment timeframe can help you choose the investment options to best suit you. Diversification is a method of reducing investment risk and involves spreading your investment over different asset classes. Equip Super offers a number of pre-mixed diversified options to choose from.

Investment risks

When considering the risks associated with investing you need to consider your age, how long your super will be invested for, the likely investment return, the risk and your own attitudes to investments.

It is important to remember that:

- the value of investments (and your super) will go up and down over time, and the value of your super at retirement may not be enough.
- future returns may differ from past returns, and will vary from year to year. Returns are not guaranteed and you may lose some of your money.
- growth assets generally have a higher potential rate of return, but the returns are usually more volatile and they have a greater risk of negative returns.
- defensive assets may have less volatile returns, but also generally provide a lower rate of return.

We have discussed in greater detail the risks of various asset types in the *How we invest your money* guide, which you can find on our website equipsuper.com.au/pds

You can also find more information on each of our investment options in this guide, or at equipsuper.com.au/investments

Other risks

There are other operational and legislative risks associated with super, some of which we have outlined below.

- Equip Super or its insurer, administrator, custodian, or investment managers may be unable to perform their usual duties due to a system failure, war, terrorist act, natural disaster or industrial strike action. Equip Super has measures in place to mitigate these risks, however cannot guarantee that operations will not be impacted by a future event.
- There is a risk that legislation governing super will change and may impact your ability to access your super benefit, tax rates, or contribution limits.
- Equip Super could add, change or remove investment options or products offered, and the fees and costs for these products may change.

¹ Financial advice is provided by Togethr Financial Planning Pty Ltd (ABN 84 124 491 078, AFSL 455010) trading as Equip Financial Planning, a related entity of Togethr Trustees Pty Ltd.

5 How we invest your money

Equip Super’s range of investment options allows you to choose investments suited to your financial goals and tolerance to risk.

You should consider the likely investment return, risk, and your investment timeframe when choosing an investment option.

You can invest in one or more of the following Equip Super investment options.

Diversified options

- Growth Plus
- Growth
- Balanced Growth
- MySuper – the default option
- Balanced
- Capital Stable
- Index Diversified

Sector specific options

- Australian Shares
- Overseas Shares
- Diversified Fixed Interest
- Cash

If you do not nominate any investment options, we will invest your super in the MySuper investment option. More details on this investment option are set out on this page.

Changing your investment options

You can switch your investments at any time by logging into Member Online on our website equipsuper.com.au, calling the Helpline on **1800 682 626** or by completing the *Change your investments* form.

MySuper

Invests mainly in growth assets such as shares, property and infrastructure, which are expected to earn higher returns over the long term, with the balance invested in more stable assets like fixed interest securities and other defensive assets.

Who this option is designed for

This option is designed for members who want a balance between risk and return, but who are prepared to accept an asset allocation weighted towards growth assets.

Investment objective

Achieve a net return of at least 3% p.a. above CPI over rolling 10-year periods.

Minimum investment timeframe

The minimum suggested timeframe to invest is 10 years.

Standard risk measure

The risk level of this option is medium to high, with a likelihood of negative returns occurring 3.5 years in a 20-year period.

Strategic asset allocation and ranges

Asset class	SAA %	Permitted range %
 Australian shares	25	10 – 45
 Overseas shares	31	5 – 45
 Property	6	0 – 20
 Infrastructure	11	0 – 25
 Alternatives	5	0 – 20
 Alternative fixed interest	7	0 – 20
 Traditional fixed interest	11	0 – 30
 Cash	4	0 – 15
Growth / Defensive	71 / 29	

You should read the important information about how we invest your money before making a decision. Go to equipsuper.com.au/pds and read our *How we invest your money* guide. The material relating to how we invest your money may change between the time when you read this statement and the day when you acquire the product.

6 Fees and other costs

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs. You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website (moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

The statement above is prescribed by law. Please note that our fees and costs are not negotiable.

This section shows fees and other costs that you may be charged. These fees and other costs may be deducted from your balance, from the returns on your investment or from the assets of the superannuation entity as a whole. Other fees may apply.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

Fees and costs summary

MySuper investment option

Type of fee or cost	Amount	How and when paid
Ongoing annual fees and costs ¹		
Administration fees and costs	\$1 per week, plus	This fee will be deducted from your account effective on the last day of each month.
	0.19% p.a.	This fee is capped at \$950 p.a. and deducted from your account effective on the last day of every month.
	Nil ²	Administration costs paid from reserves, that are not otherwise charged as administration fees. These costs are not directly charged to your account, but have reduced the reserve balance held by the Fund to cover future administration costs.
Investment fees and costs ^{2,3}	0.52% p.a.	Deducted from the underlying asset value and reflected in the daily unit prices applied to your account.
Transaction costs ²	0.14% p.a.	Deducted from the underlying asset value and reflected in the daily unit prices applied to your account. The estimate is based on the financial year ending 30 June 2026.
Member activity related fees and costs		
Buy-sell spread	Nil	Not applicable
Switching fee	Nil	Not applicable
Other fees and costs	Refer to <i>Additional explanation of fees and costs</i> in our <i>Fees and other costs</i> guide, available at equipsuper.com.au/pds	

¹ If your account balance is less than \$6,000 at the end of the income year, certain fees and costs charged to you in relation to administration and investment are capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded to you.

² These amounts are calculated based wholly or in part on previous financial year(s). The actual amount will change from year to year and may be more or less than the amounts shown. More details are set out under *Additional explanation of fees and costs* in our *Fees and other costs* guide.

³ Investment fees and costs include an amount of 0.03% for estimated performance fees. The calculation basis for this amount is set out under 'Additional explanation of fees and costs' in our *Fees and other costs* guide.

Example of annual fees and costs

This table gives an example of how the ongoing fees and costs for the option can affect your superannuation investment over a one-year period. You should use this table to compare this superannuation product with other superannuation products.

Example – product	Balance of \$50,000	
Administration fees and costs	\$1 per week plus 0.19%	For every \$50,000 you have in the superannuation product, you will be charged or have deducted from your account \$95 in administration fees and costs, plus \$52 regardless of your balance.
PLUS investment fees and costs	0.52%	And , you will be charged or have deducted from your investment \$260 each year in investment fees and costs.
PLUS transaction costs	0.14%	And , you will be charged or have deducted from your investment \$70 each year in transaction costs.
EQUALS cost of product	\$477	If your balance was \$50,000 at the beginning of the year, then for that year you will be charged fees and costs of \$477 for the superannuation product.

Trustee fee

The trustee may be paid a trustee fee to allow for certain costs incurred in its role as trustee of Equip Super. The trustee fee is not an additional fee charged to you, as it is paid from the Fund's administration reserve. The Fund's administration reserve is built from the administration fees and costs already charged to you, as set out in the *Fees and costs summary* above. You can find more information about the trustee fee in the trust deed, which is available on our website.

In the first quarter of each calendar year, we'll update our website with the details of any trustee fee paid to the trustee by the Fund in the previous calendar year.

Fees and costs for other investment options

You can find the fees and costs for Equip Super's other investment options in our *Fees and other costs* guide, available at equipsuper.com.au/pds

Tax benefits passed on to members

Equip Super claims a tax deduction on the administration fees and insurance costs we deduct from your account and passes this benefit back to you directly by reducing the amount of tax that is deducted from your account. This means that you essentially receive a 15% refund of your administration fees and insurance costs.

If you have exposure to Australian shares, tax offsets gained through franking credits are reflected in unit prices.

Changes to fees and costs

The fees and costs for Equip Super may change in the future. We can vary the fees without your consent, but we'll give you 30 days notice of any material increase in the fees that are charged directly to you.

Fees for financial advice

We offer a range of general advice and educational services, giving you the opportunity to receive general advice about Equip Super, issues relating to super, investment options, retirement planning and related matters such as social security and estate planning. These services are offered over the phone, face-to-face and through seminars and online tools.

Limited advice

Members can access personal financial advice relating to their interest in the fund through Equip Financial Planning in limited circumstances. There is generally no cost for this advice although fees may apply if you use this service frequently. You'll be advised if this is to occur.

You can find out more by contacting our Helpline on **1800 682 626**.

Comprehensive advice

You can also receive comprehensive advice from Equip Financial Planning on a fee-for-service basis.

Visit our website equipsuper.com.au/advice or call us on **1800 682 626** for more information.

You should read the important information about fees and costs before making a decision. Go to equipsuper.com.au/pds and read our *Fees and other costs* guide. The material relating to fees and costs may change between the time when you read this statement and the day when you acquire the product.

7 How super is taxed

There are taxes that apply to super. These include taxes on contributions, investment earnings and on some withdrawals.

Tax file numbers

You are not required to provide your TFN to Equip Super, but not providing it may mean that:

- we are unable to accept certain contributions for you;
- additional tax may apply on contributions and withdrawals; and
- it may be more difficult to locate multiple super accounts in your name.

Tax on contributions

Before-tax contributions, including the contributions your employer makes and salary sacrifice contributions, are generally taxed at 15% when Equip Super receives them. The tax is deducted from your account. Different tax rates may apply if you are a low or high income earner.

After-tax contributions you make from your after-tax earnings or savings are not taxed.

You should be aware that there are limits on the contributions you can make to super and if you exceed those limits, additional tax may apply. See our *How super works* guide for details.

Tax on investment earnings

Investment returns in super are taxed at a maximum rate of 15%. Taxes on investment returns are deducted before earnings are applied to your account.

Tax on withdrawals

If you're aged 60 or over, withdrawals from your super are generally tax free. If you're under 60, tax may apply when you make a withdrawal from your super. There are also circumstances where tax may apply to withdrawals regardless of your age (such as if you die and your benefit is paid to a non-dependant for tax purposes, or if you were a temporary resident and have departed Australia permanently).

More information about how super is taxed is set out in our *How super works* guide. You can also find information on our website, equipsuper.com.au, the government's MoneySmart website, moneysmart.gov.au, and the ATO's website, ato.gov.au

You should read the important information about how super is taxed before making a decision. Go to equipsuper.com.au/pds and read our *How super works* guide. The material relating to how super is taxed may change between the time when you read this statement and the day when you acquire the product.

8 Insurance in your super

Details of eligibility, conditions applying to automatic cover, exclusions, and the types, levels and costs of insurance cover available through Equip MyFuture – Personal are set out in the *Insurance in your super* guide.

You should read and consider this information before deciding whether the insurance cover is appropriate for your needs.

The material relating to insurance in your super may change between the time when you read this statement and the day when you acquire the product.

Types of cover available

Death cover provides a lump sum insured benefit for your dependants if you die. You may also be eligible to receive an advance payment of your benefit if you are diagnosed with a terminal illness.

Total and permanent disablement (TPD) cover provides a lump sum benefit if you become totally and permanently disabled. This may include situations where a serious illness or injury leaves you unlikely to ever return to work in an occupation suited to your education, training, or experience. The benefit can help meet your financial commitments and support your future needs.

Income protection (IP) cover provides a monthly benefit if you are unable to work due to illness or injury. It can help you continue to meet your living expenses while you're off work. You can select a benefit period of 2 years or 5 years, with a choice of a 30, 60, or 90 day waiting period.

Insurance cover in Equip Super is provided by MetLife Insurance Limited (the insurer) ABN 75 004 274 882, AFSL 238096.

Default death and TPD cover

Our default cover is a set amount of cover based on your age. The cover amounts that apply at each age are shown in the table below.

Current age	Death cover	TPD cover
15 – 19	\$25,000	\$75,000
20 – 24	\$37,500	\$87,500
25 – 29	\$62,500	\$100,000
30 – 34	\$87,500	\$112,500
35 – 44	\$112,500	\$112,500
45 – 49	\$87,500	\$80,000
50 – 54	\$50,000	\$40,000
55 – 59	\$25,000	\$25,000
60 – 64	\$12,500	\$12,500
65 – 69	\$2,500	\$0
70 or older	\$0	\$0

When your default cover starts

To be eligible for default cover, you must:

- opt in within 120 days of joining this product and meet the eligibility and automatic acceptance conditions.
- not be working in the Australian Defence Force, the Federal or State police forces, as an armed security guard, a professional sportsperson, and coach or trainer of professional sportspeople (except as a coach who spends more than 90% of time in an office or similar environment).

If these requirements are met, your cover will start when we receive an employer contribution for you.

Your default death and TPD cover will be limited cover for the first 24 months and will remain limited until you have been at work for 30 consecutive days. Limited cover means you're not covered for pre-existing conditions. However, you'll be covered for any illness first diagnosed, or injury occurring, after your cover starts.

If you want your cover to start before meeting the conditions for cover to commence, you'll need to provide health evidence.

Additional voluntary death and TPD cover

If you want more than your default death and TPD cover, you can apply for additional voluntary death and TPD cover at any time as a fixed dollar amount. For more information, see the *Insurance in your super* guide.

Income protection (IP) cover

You won't receive IP cover automatically, but you can apply for it through your account online, or by completing the *Change insurance cover* form and **Personal Statement**, available on our website.

You won't receive IP cover automatically, but you can apply for it by completing the *Change insurance cover* form and **Personal Statement**, available on our website.

We offer IP cover with a maximum benefit period of 2 years, and a waiting period of either 30, 60 or 90 days.

The terms and conditions of IP cover are outlined in our *Insurance in your super* guide, available at equipsuper.com.au/pds

Limited cover

Your default death and TPD cover starts as limited cover. If we receive your first employer contribution within 120 days of you joining the Fund, limited cover will end once you have been at work for 30 consecutive days.

Otherwise, it will apply for 24 months from the date your cover starts. Your cover will no longer be limited cover once you have been at work for 30 consecutive days from the 23rd month of the limited cover period.

Limited cover means that you are not covered for pre-existing conditions. You're covered for any illness first diagnosed, or injury that occurs, after your cover starts or recommences.

You can find more information about limited cover in the *Insurance in your super* guide.

Changing or cancelling your cover

You can apply to change or cancel your cover at any time.

You can do this through Member Online, by calling our Helpline on **1800 682 626**, or by completing the *Change insurance cover* form.

For more information about your insurance options, see the *Insurance in your super* guide.

Cost of death and TPD cover

There are costs associated with insurance cover and these costs will depend on the amount of cover you have, your age and your occupation rating (see below). We deduct the cost of your insurance cover from your account each month.

Occupation ratings

Your occupation rating will affect how much you pay for your death and TPD cover, so it is important to check that it is right for you. You may be able to pay less for your death and TPD cover by logging into your account online, by completing the *Member application* or *Change insurance cover* form available from our website equipsuper.com.au

Equip MyFuture – Personal offers three levels of occupation ratings, shown below in increasing order from lowest cost to highest cost.

- Professional
- White collar
- Standard

We set your occupation rating to Standard when you join Equip MyFuture – Personal.

Refer to the *Insurance in your super* guide for more information, including the cost of cover for each occupation rating.

A rebate on the cost of your cover

Equip Super claims a tax deduction on the costs we deduct from your account to pay for your insurance cover and passes this benefit back to you directly by reducing the amount of tax that is deducted from your account. This means you receive a 15% refund of the cost of your cover.

Annual cost per \$1,000 of death and TPD cover

Insurance costs are inclusive of insurance premiums and an insurance fee, which is calculated at 4% of premiums. Premiums are paid to the insurer, while the insurance fee is retained by the Fund.

9 How to open an account

You can find more information about who this product was designed for in the target market determination (TMD) document, available at equipsuper.com.au/tmd

You can join Equip MyFuture – Personal on our website equipsuper.com.au/join

You'll receive your new member number instantly and can start making contributions.

You can change your mind about Equip Super (cooling off)

If you join as an individual member and not an employer sponsored member, then you have a 14-day cooling off period in case you change your mind about Equip Super. Your cooling off period starts on the earlier of:

- the day we send you confirmation of your membership; or
- 5 business days after we receive your membership application.

If you decide to cancel your membership during this period, then we'll transfer your account to the super fund of your choice. Your account will be adjusted for investment earnings or losses, plus any administration fees, insurance costs or tax payable, prior to the transfer.

If you're transferring from Equip Super Corporate

When you leave an employer in Equip Super Corporate, you will be transferred to Equip MyFuture – Personal if your default insurance cover did not start because you were under age 25 and/or your account balance was less than \$6,000.

You will also be transferred if your employer was paying for your insurance cover, but that cover ceased when you left because you were under age 25 and/or your account balance was less than \$6,000.

In either case, you can opt in to receive the default insurance cover available under Equip MyFuture – Personal within 120 days of the transfer. If you opt in within this period, you won't need to answer personal health questions or go through underwriting. Your cover will start if you meet the eligibility requirements.

If you've previously chosen investment options for some or all of your account, those investment choices will continue when you're transferred to Equip MyFuture – Personal.
