Our products and services

Services

Togethr is authorised under its AFSL to provide dealing and financial product advice on superannuation. This means Togethr can issue an interest in the Fund and provide superannuation advice services to members. We recommend you consider the relevant Equip PDS before you make any decisions about investing in the Fund.

Togethr is required to register with and maintain membership of the Tax Practitioners Board (TPB). The TPB is a national body responsible for the registration and regulation of tax agents, BAS agents and tax (financial) advisers.

Products

Membership of the Fund is available by joining through a sponsoring employer, as a member’s spouse, or as a choice member.

If you have an accumulation account with the Fund, you have a choice of Diversified and Sector investment options. Through these you can choose asset classes to deliver a balance of returns and risks appropriate to your own investment preferences and objectives.

For more detailed information on investment options and how to choose them, you should refer to the PDSs on the website, or you can contact our Helpline.

How we are paid

We levy administration and investment fees on members and sometimes employers to cover the Fund’s operating costs (these fees and costs are set out in the Fund’s PDSs). The cost of providing general advice is included in these fees. Provision of personal advice relating to a member’s interest in the Fund is provided on a fee for service basis and may be debited from the accounts of members who use the service.
Togethr’s chairman and directors receive fixed annual fees in recognition of the services and expertise they provide to the Fund.

We also employ staff responsible for the management of the Fund and the provision of products and services to members.

Togethr employees receive salaries and can be paid a percentage of their salary as an annual bonus in recognition of their individual performance.
