

Make regular contributions via your employer

About this form

The Government limits the amount you can contribute to super. If you go over the limits, you may pay extra tax. Find out how much you can contribute online at ato.gov.au or login to your Equip account at equipsuper.com.au and refer to the contribution caps section. Please note that if you are a defined benefit (DB) member, the contributions you nominate on this form will be allocated to your additional accumulation account and will be in addition to any compulsory DB contributions you make. If you are unsure of your options, check with your employer or Equip before completing this form.
