## About this document

### When to use this target market determination

This target market determination (TMD) seeks to provide existing and potential members, existing and potential employers, distributors, and staff with an understanding of the class of members for which this product has been designed, having regard to the objectives, financial situation and needs of the target market.

This document is not to be treated as a full summary of the product's features and risks and is not intended to provide financial advice. Members must refer to the *Product Disclosure Statement* (PDS) and any supplementary documentation when making a decision about this product.

### Product disclosure statement to which this target market determination applies

This TMD applies to Equip Corporate - LY Cardinal, referred to in the following disclosure document:

- Equip Corporate - LY Cardinal *Product Disclosure Statement* 1 October 2021

### Date from which this target market determination is effective

- 1 October 2021

## Class of members that fall within this target market

The information below summarises the overall class of members that fall within the target market for Equip Corporate - LY Cardinal, based on the product's key attributes and the objectives, financial situation and needs that it has been designed to meet.

Equip Corporate - LY Cardinal is for employees of AGL Loy Yang, Loy Yang B (Alinta), Cardinal Health and associated employers of these entities, who are at any level of income or wealth. Members will have an objective of saving for retirement through a compliant retirement savings vehicle.

## Product description and key attributes

Equip Corporate - LY Cardinal is a tax-advantaged savings vehicle that allows members to grow retirement savings over time through a combination of contributions and earnings from investments.

### Investments

- The default MySuper investment option is for members who do not wish to select an investment option.
- Members can choose from 5 diversified and 6 single sector investment options to tailor their investments according to their financial goals and risk tolerance.

### Insurance

- The default death and total and permanent disablement (TPD) cover enables members to make provision for dependants in the event of an unforeseen event without requiring underwriting. Rules apply.
- Members can apply for salary continuance (SC) cover to protect their income.
- Members can apply for additional death & TPD cover to suit their financial circumstances.

### Fees and premiums

- Members are charged administration fees of \$1 per week (if their account balance is above \$3,000) plus 0.25% per annum on a member's account balance (up to a maximum of \$1,250 per annum).
- Members are charged an estimated investment fee between 0.06% to 0.46% per annum, depending on the investment option(s) they are invested in, to cover the trustee's costs of managing the investments.
- To cover the costs of external investment managers and services, members incur an estimated indirect cost ratio between 0% to 0.88% per annum, depending on the investment option(s) they are invested in, which reduces the value of their assets.
- Members are charged insurance premiums by the insurer. The amount depends on the level and type of cover selected and the age of the member. Premium rates are detailed in the disclosure documents.

### Profit to members

- Equip is a profit-to-member industry superannuation fund.
